

16th July 2020

WOSC Holiday club and September term Part 2

Dear Parents,

We would like to give you an update on WOSC both for summer holiday and September term and the planning that we are doing to ensure that we are ready to open when it is practicable and financially viable to do so. To make this easier we are splitting the details into two separate communications to avoid confusion.

Holiday club – see part 1 sent in separate email.

September term

We really hope that we are able to open WOSC and resume a level of normality in September, however this is very much dependent on government guidelines and whether we would need to align with any school 'bubbles' during term time. Unfortunately, if schools are required to operate with class bubbles we would be unable to provide wraparound care for 7 separate year groups from a space and staff perspective. We are planning with the assumption that we can open, but at this time we are not releasing any booking forms until we have further information. Please note that as for holiday club, any booking forms will be released at short notice with a short leadtime as we will need to complete the planning and preparation process quickly if we are able to offer a normal service. We also need to notify you at this time that fees will also be increased for the September term.

However, we do ask you to complete your annual registration and permission forms now for each child. These can be downloaded from <https://wosclub.co.uk/bookings/>. As booking forms are likely to be released at short notice, please return these forms as soon as possible **by email by Monday 27th July** to bookings@wosclub.co.uk (please take a picture or scan so that signatures are confirmed). We will not accept any September booking forms if we do not have the registration forms in advance. In addition, to help us plan for the September term staffing and to assess the level of demand, please complete the second short table provided directly in the email **by Monday 27th July**.

With best regards,

WOSC Committee
